Right of withdrawal

If you are acting as a consumer, you can revoke your contract declaration within one month without giving reasons in writing (e.g. letter, fax, email) or by returning the goods. We will send you this cancellation policy again separately in text form. The period begins on the day after you have received the goods.³ To meet the cancellation deadline, it is sufficient to send the cancellation or the goods in good time.

The revocation must be sent to:

Consequences of cancellation

In the event of an effective revocation, the mutually received services must be returned and any benefits (e.g. interest) surrendered. If you cannot return the goods to us in whole or in part, or if you can only return them in a deteriorated condition, you may have to compensate us for the value. This does not apply if the deterioration of the goods is solely due to their inspection - as would have been possible for you in a shop, for example - or the intended use⁴ of the goods.

Transportable items are to be returned at our risk. Items that cannot be sent as a parcel will be picked up from you. You have to bear the costs of the return if the delivered goods correspond to the ordered goods and if the price of the goods to be returned does not exceed an amount of 40 euros or if you have not yet made the payment or a contractual agreement if the price of the goods is higher at the time of cancellation have made the agreed partial payment. Otherwise, the return is free for you.

You must fulfill obligations to reimburse payments within 30 days of sending your declaration of cancellation.
