Right of Withdrawal and Exceptions

Where consumers have a statutory right of withdrawal, the following withdrawal information applies. A right of withdrawal exists in particular for non-personalised gift items or accessories, unless one of the statutory exceptions set out below applies.

Withdrawal Information

Right of Withdrawal

You have the right to withdraw from this contract within fourteen days without giving any reason.

The withdrawal period is fourteen days from the day on which you or a third party named by you, other than the carrier, takes possession of the goods. If you have ordered several goods as part of a single order and they are delivered separately, the withdrawal period is fourteen days from the day on which you or a third party named by you, other than the carrier, takes possession of the last of the goods.

To exercise your right of withdrawal, you must inform us (TriaPrima GmbH, O4 4, 68161 Mannheim, Germany, Telephone: +49 (0) 621 40545804, Email: info@rarecoin.store) of your decision to withdraw from this contract by means of an unequivocal statement (for example, a letter sent by post or an email). You may use the attached model withdrawal form, but this is not mandatory.

You can also exercise your right of withdrawal online at <https://rarecoin.store> using the “Withdraw from contract” function available in the footer. If you use this online function, we will promptly send you an acknowledgement of receipt on a durable medium (for example by email), containing information on the content of the withdrawal declaration as well as the date and time it was received.

To meet the withdrawal deadline, it is sufficient for you to send your communication concerning the exercise of the right of withdrawal before the withdrawal period has expired.

Effects of Withdrawal

If you withdraw from this contract, we shall reimburse all payments received from you, including delivery costs (except for the supplementary costs resulting from your choice of a type of delivery other than the least expensive type of standard delivery offered by us), without undue delay and in any event no later than fourteen days from the day on which we are informed of your decision to withdraw from this contract.

We will make the reimbursement using the same means of payment that you used for the original transaction, unless you have expressly agreed otherwise. In any event, you will not incur any fees as a result of the reimbursement.

We may withhold reimbursement until we have received the goods back or until you have supplied evidence of having sent back the goods, whichever is the earlier.

You shall send back the goods or hand them over to us without undue delay and in any event no later than fourteen days from the day on which you inform us of your withdrawal from this contract. The deadline is met if you send back the goods before the period of fourteen days has expired.

You shall bear the direct cost of returning the goods.

You are only liable for any diminished value of the goods resulting from handling other than what is necessary to establish the nature, characteristics and functioning of the goods.

Exclusion of the Right of Withdrawal

Consumers do not have a statutory right of withdrawal where the relevant contract falls within a statutory exception to the right of withdrawal. This applies in particular in the following cases:

Precious Metal Products and Price-Dependent Goods

There is no statutory right of withdrawal for contracts for the supply of goods whose price depends on fluctuations in the financial market which are beyond our control and which may occur within the withdrawal period. This applies in particular to precious metal products, gold coins, platinum coins, palladium coins, silver coins and other precious-metal-containing collector and investment coins. The legal basis is Section 312g (2) No. 8 of the German Civil Code (BGB).

Individually Manufactured or Personalised Goods

There is also no statutory right of withdrawal for contracts for the supply of goods that are not prefabricated and for whose production an individual selection or decision by you is decisive, or that are clearly tailored to your personal needs. This applies in particular to personalised gift items, individually engraved products or accessories manufactured to customer specifications. The legal basis is Section 312g (2) No. 1 of the German Civil Code (BGB).

The customer's statutory rights in the event of defects, incorrect deliveries or transport damage remain unaffected.
